

InteriorPaint™

Special Paint for Injection Moulded Parts

Trendy colors give injection molded parts their own individual personality. InteriorPaint™ colors completely eliminate small scratches or similar defects.

Benefits

- › Post-process coloring of injection molded parts
- › Cost efficient, fast repair of blemishes from component handling, assembly, and vehicle distribution processes
- › Marked reduction in reject rate
- › Easy to apply spray and brush solutions
- › Applicable to a variety of decorative surface types
- › Economical container sizes

Product Range

- › Interior Color sprayable/spreadable
- › Interior Color sprayable
